

EXCHANGE GIFT FROM FERMOSA . . . Students at Carr Elementary School were surprised last week to receive boxes of gifts from school children on Formosa. Two years ago, members of the Junior Red Cross Club at Carr had sent Christmas gift boxes to the school children there. The gift boxes from Formosa included toys, pencils, combs, and many other items, as well as a letter. Carr students are planning to write to their "pen pals." Shown looking over some of the gifts are Ronnie Gonser and Richard Baker.

Carr Students Surprised With Gifts From Formosa

Students at Carr Elementary School, Torrance, were surprised last week to get boxes of gifts from school children on Formosa, along with letters ex-

pressing friendship for America.

Two years ago, members of the Junior Red Cross Club at Carr sent Christmas gift boxes to the children on Formosa, but had nearly forgotten about the project since they had received no word.

Next Year's Kindergarten Lists Pushed

Names of next year's kindergartners are being sought at Torrance elementary schools — Carr, Flavian, Hillside, Lincoln, Madison, Madrona, Magruder, Meadow Park, Perry, Sepulveda, and Wood. Children who will be five years old before Dec. 2 are eligible to enter kindergarten next fall. Parents are asked to bring birth certificates or other proof of birth date, as required by law. Early registrations allow for planning for the fall program.

Schools asking parents to call for appointments later are Carr, Hillside, Madison, Madrona, Magruder, Meadow Park, Perry, and Wood.

Schools asking parents to come in to register and make arrangement for later physical, desired, are Flavian, May 8 and 9; Lincoln, May 16 and 17; Sepulveda, May 9-10.

LAST WEEK, however, boxes of gifts—Chinese puppets, oriental lanterns, toys, pencils, combs, and many other items arrived as Carr, sent through the Red Cross Society of the Republic of China. Each package also contained a letter from a Chinese student, thanking the Torrance students for their earlier gifts.

Some of the letters were written in rather halting English, while others were written in Chinese. Students are trying to find a Chinese translator for the letters. Some letters were written both in English and Chinese.

THE CARR students were delighted to hear from their friends abroad and many plan to make "pen pals" out of the Formosan students.

Currently students in shop and homemaking classes are donating some time to making toys for children in American hospitals, with money furnished by the Junior Red Cross.
